“ I am very happy to be here and all our congratulations to the organizer for this summit because it is very good opportunity for us to meet client and people who want to do business and invest in Bangladesh Market.”

Herve De Certaines
Project Coordinator- Asst. Manager, DEC

I am highly delighted that 9th Water Management Expo-2024 is going to be held on 16-18 May 2024 at International Convention City Bashundhara (ICCB). This is an excellent platform to share innovative ideas and digital transformation on water & sewage treatment management for government and private sector. These opportunities will lead us to achieve 'Smart Bangladesh.'

Engr. Taqsem A Khan
Managing Director & CEO
Dhaka WASA

Our Bangladesh is a thickly populated country. To meet our rapid industrialization, we are importing Raw Materials, Crude Oils, etc. We are exporting Finished goods. The waste materials will stay with us. We need safe and controlled discharge of these waste materials. We need to develop our national policy toward: Zero Energy Demand, Zero Discharge and Zero Pollution. Then we shall be able to keep a safe and sustainable Bangladesh to our next generation.

I believe that the Show will make a good start to create the B2B interaction that will help our industry to grow more and to compete globally. The exhibition will provide a platform for exchanging ideas on the latest developments in technologies.

Engr. Md. Hasmotuzzaman
MEP Consultant & CEO, Utility Professionals
Ex-President, ASHRAE Bangladesh Chapter,
Technical Committee Member (P), ASHRAE Global

“The exhibition is very well organized and we are happy with the level of service has been provided by Savor. And we think it's an excellent opportunity to expose ourselves to the Bangladeshi Market.”

George Mixoudise
International Operations Director
Suntrac Energy Limited.
